

Once you have verified your email address and phone number and set a NEW password, you can add this shortcut to the website to your phone home screen. **You will no longer use our old app.**

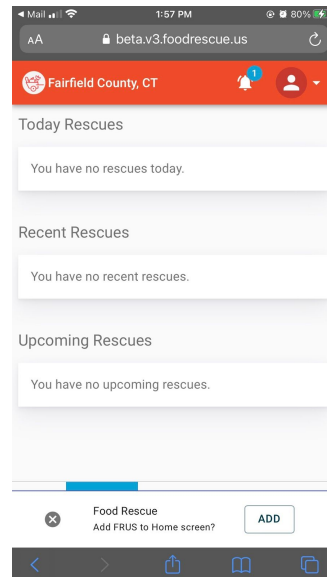

Use your phone to go through the following steps to add the shortcut to your phone home screen, you will use this the same way you previously used the app.

1. Navigate to the new website using this link: [New FRUS website](https://beta.v3.foodrescue.us)

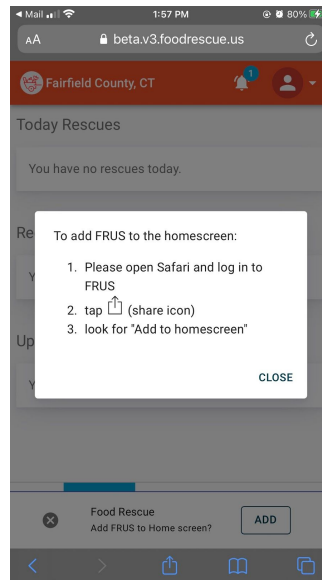

You will see this:

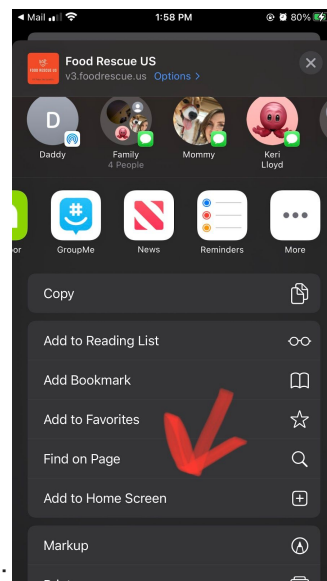

2. Login using your NEW username and password - you will see this:

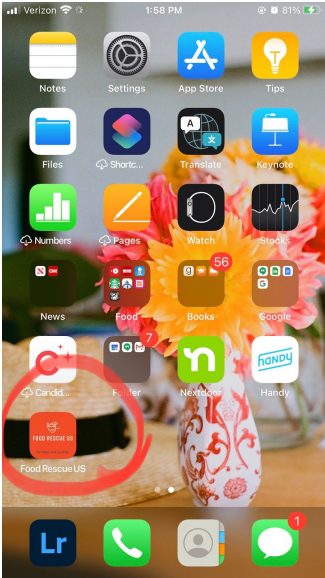

3. Touch the add button at the bottom of the screen - you are probably already in Safari, in which case you can close this box that pops up

4. Touch the blue box with the up arrow at the bottom of the screen and you will find yourself here. (You may have to swipe UP to see "add to home screen" or in the case of older iPhones, swipe left to discover it):

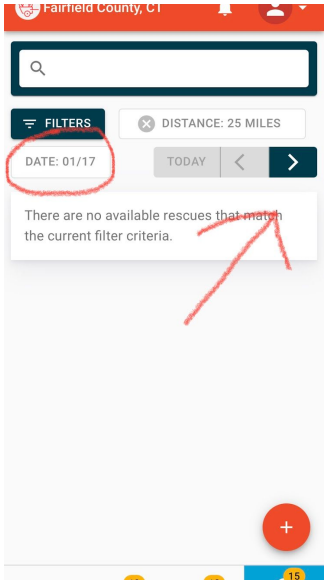

5. Click on add to home screen and like MAGIC you have added it !!!!
Congratulations!

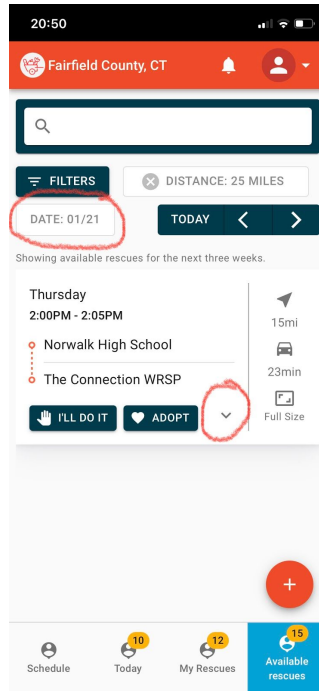

Before you go, here are 2 more helpful hints:

A. When you navigate to the available rescue tab and it is blank, it means there is nothing TODAY so click on this arrow to look at tomorrow and keep paging forward through the days

B. When you find an available rescue it will look like this.
If you want more detail on the rescue click on the down arrow.

Same rescue, more detail:
